ТН	IE PERIOD FOR RESPONSE: [check only a) or b)]
	a) X expires five months from the mailing date of the final rejection.
	b) expires either three months from the mailing date of the final rejection, or on the mailing date of this Advisory Action, whichever is later. In no event, however, will the statutory period for the response expire later than six months from the date of the final rejection.
	Any extension of time must be obtained by filing a petition under 37 CFR 1.136(a), the proposed response and the appropriate fee. The date on which the response, the petition, and the fee have been filed is the date of the response and also the date for the purposes of determining the period of extension and the corresponding amount of the fee. Any extension fee pursuant to 37 CFR 1.17 will be calculated from the date of the originally set shortened statutory period for response or as set forth in b) above.
	Appellant's Brief is due two months from the date of the Notice of Appeal filed on (or within any period for response set forth above, whichever is later). See 37 CFR 1.191(d) and 37 CFR 1.192(a).
	plicant's response to the final rejection, filed on <u>Feb 23, 2000</u> has been considered with the following effect, t is NOT deemed to place the application in condition for allowance:
\mathbf{X}	The proposed amendment(s):
	will be entered upon filing of a Notice of Appeal and an Appeal Brief.
	🛛 will not be entered because:
	X they raise new issues that would require further consideration and/or search. (See note below).
	they raise the issue of new matter. (See note below).
	they are not deemed to place the application in better form for appeal by materially reducing or simplifying the issues for appeal.
	they present additional claims without cancelling a corresponding number of finally rejected claims.
	NOTE: The new limitation "wherein said splice acceptor site is derived from a wild type splice acceptor site
	necessary for the generation of the env mRNA of a wild type retrovirus" will require further search and
	consideration regarding the full scope of this claim, whether a search will find art which reads on the
	Applicant's response has overcome the following rejection(s):
	Newly proposed or amended claims would be allowable if submitted in a separate, timely filed amendment cancelling the non-allowable claims.
X	The affidavit, exhibit or request for reconsideration has been considered but does NOT place the application in condition for allowance because:
	The arguments are directed towards the claims as amended and the amendment was not entered.
	The affidavit or exhibit will NOT be considered because it is not directed SOLELY to issues which were newly raised by the Examiner in the final rejection.
X	For purposes of Appeal, the status of the claims is as follows (see attached written explanation, if any):
	Claims allowed: 38-41
	Claims objected to:
	Claims rejected: 1-4, 6-31, 35-37, and 42-44
	The proposed drawing correction filed on hashas not been approved by the Examiner.
